

You are invited to the 2nd Anniversary Celebration of
Best ABT — A TeamBest Global Company
Thursday, November 12th, 2020 from 12:00 pm – 1:30 pm (EST)

Best[™] ABT Molecular Imaging

Dear Staff, Friends, Well-wishers and Customers, Present and Past!

Best ABT, a member of TeamBest Global Companies, is turning two on November 12th, 2020. In honor of this anniversary, we are celebrating with sandwiches, pizza, soft drinks to recognize the hard-working staff of Best ABT, the customers, and friends/colleagues, who are part of this new exciting venture. The team is united in a single purpose — to be part of TeamBest Global (TBG) in establishing a Global Healthcare Delivery System, which is a 15 Trillion USD annual global economy, with a mission to reduce the deaths and suffering from Cancer, Cardiac, Diabetes and all other diseases, including infectious diseases. Best ABT's BG75 cyclotrons are being used globally for early detection of cancer and other diseases, and save lives every day. This year (2020) has been a tremendously successful year for Best ABT with record number of cyclotron sales, and development of new target designs and higher energy cyclotrons.

TeamBest Global Companies in partnership with Best Cure Global Foundation, a non-profit, non-governmental operation, plan to establish General and Multi-Specialty Medical Centers linked with Express and Mobile Clinics.

Please join me in congratulating the entire Best ABT Team of highly talented group of engineers, scientists, technicians and staff.

We look forward to having you and your associates to a sumptuous and delicious lunch from **12:00 pm to 1:30 pm (EST), on Thursday, November 12th, 2020.**

Have a great week, be safe and healthy!

Best wishes,

Krishnan Suthanthiran

NOTE: We will be following social-distancing and mask-wearing guidelines of Tennessee. If you do not have a mask, Best ABT will provide one to you — it is mandatory to wear at all times while you are in the facility (except while eating!) You may take the mask with you when you leave. Thank you for your cooperation!
